#### **Talk Title: How To Free Yourself Of Dark Family Secrets**

**Description:** All that glitters isn't gold. During the late seventies and eighties, DeBarge became R&B music royalty but today the group's lone female member and eldest sibling, known professionally as Bunny DeBarge, will sing a different tune; a tune that won't always be in perfect harmony like the background vocals on their hit songs, "*A Dream*", "*Time Will Reveal*",

---

"*I Like It*" and "*Stay With Me*", just to name a few. To understand the DeBarge story, we'll need to rewind our journey all the way back to the 1950's.
